**Subject: Regarding revision of registration fee for players participating in National School Games.**

Dear Sir/Madam,

This is to inform you about the recent decision regarding the registration fee for players participating in National School Games Competitions organized by the School Games Federation of India (SGFI).

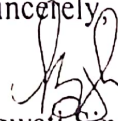

The annual meeting of the SGFI General Body was held on June 14, 2024, at the Constitution Club of India, New Delhi. During the meeting, discussions focused on enhancing the effective monitoring and technical support quality of National School Games Competitions. To achieve this goal, the General Body resolved to appoint technical directors and observers at competition venues. The SGFI will cover the travel and daily allowances (TA/DA) for these appointees.

**In light of these necessary enhancements and to ensure the financial sustainability of the SGFI, the General Body has approved a revision of the registration fee for participating players. Effective from the 2024-25 session, the registration fee will be Rs. 300 per player, revised from the previous fee of Rs. 200.**

We kindly request all concerned State/UT/Units to take note of this revised fee structure for player registration in upcoming National Sports Competitions.

This letter is issued with the consent of the competent authority.

Sincerely,

Bhagwati Singh  
Member, Executive Committee  
School Games Federation of India
