File No: 329 /SGFI/2023-24

Dated: 10 November, 2023

To,

All Affiliated Units,
School Games Federation of India (SGFI)

Subject: Provision of Minimum Rs 350/- per Day per Player for Food in National Competitions 2024-25.

Dear Sir/Madam,

You are already aware that there have been ongoing discussions and demands from several units and states regarding the need to modify the standards set by SGFI, particularly in terms of financial implications.

As we approach the upcoming budget proposal for the next year, it is crucial that we ensure that the student-athletes participating in our national competitions receive the support they deserve. To this end, I am writing to request your urgent attention and action in making a provision of a minimum of Rs 350 per day per player for their food expenses during national competitions in the coming year.

This provision is essential to ensure that our young talents are adequately nourished and have access to proper nutrition during their participation in these prestigious events. It is our collective responsibility to empower these athletes and provide them with the resources they need to perform at their best.

By providing adequate food support to our student-athletes, we are not only investing in their future but also fostering the growth of sports and athletics in our nation. I am confident that with your support and dedication, we can make this important change for the benefit of our young athletes.

I kindly request you to acknowledge this letter and take necessary actions regarding the provision of Rs 350 per day per player for food expenses in upcoming national competitions.

Sincerely,

Deepak Kumar IAS
